

At Roca we are committed to delivering quality products and services to our customers. This is the very base of our existence and something which never can be compromised. In order to achieve this, we shall:

- Design our products for a long life.
- Standardize, audit and continuously improve our quality management system, business processes and services.
- Provide a framework for establishing, achieving and reviewing quality objectives.
- Encourage and support our suppliers and subcontractors to adopt the same quality principles as Roca.

This Policy applies to all Roca entities and employees.
